Our outstanding AQA textbooks...

AQA AS | A-Level Economics

The authoritative *AQA AS/A-Level Year 1 Economics* and its companion textbook, *AQA A-Level Year 2 Economics*, have been written specifically to meet the needs of AS and A-level students following the AQA specification.

Authors **Malcolm Surridge** and **John Wolinski**, both hugely experienced teachers and examiners as well as leading textbook writers, have carefully structured the books to match the specification precisely. Comprehensive in their coverage, these highly illustrated works combine an accessible writing style with clear and attractive presentation to enable your students to understand even the most challenging material.

Special features include:

- **Overviews** for every chapter, outlining content coverage
- **Real World Economics** case studies, addressing a range of topical issues with accompanying questions to develop the skill of application
- **Key Terms**, which are highlighted and defined on the relevant pages (and indexed) for ease of reference
- **Number Crunchers**, for quantitative skills development
- **Review Questions** at the end of every chapter, testing knowledge and understanding
- **Exam-Style Questions** at the end of each topic, with allocated marks, providing effective exam preparation
- **Plus Author Tips, Key Notes** and **Discussion Points**

Each textbook is priced at **£24.95** and a full inspection copy service is available.

Don't take *our* word for the exceptional quality of these textbooks – judge for yourself. **Request your inspection copies now!**

The accompanying **Teacher Guides (PDF)** are priced at **£80.00 (plus VAT)**. These comprise teacher notes for each chapter (how to deliver the content, tackling problem areas, useful web links) and answers (including mark schemes) to all Real World Economics questions, end-of-chapter Review Questions and end-of-topic Exam-Style Questions. PowerPoints of all key textbook diagrams are also provided.
